

Aromatherapy and Detox Foot Spa

Treatments available in Peterborough

- Body and Face Massage using Essential Oils
- Feel Relaxed & Revitalised
- Qualified Aromatherapist (ITEC)
- Fully Insured

Aromatherapy massage is the ancient art of applying essential oils to the skin using special hand techniques. The process helps with relaxation, to loosen tight muscles, unblock tissues and is soothing to the nervous system.

A relaxing 30 minute **Detox Foot Spa** Treatment is clinically proven to be Effective. The treatment can help renew your energy levels, both physical and mental and helps to kick start your natural detoxification process.

All treatments are carried out, by appointment only, at my relaxing healing practice located in Walton, Peterborough.

Home visits are available for special circumstances.
