

ACCESS CONSCIOUSNESS

Access the Bars

There are 32 points or bars on the head. Activating these points by lightly touching them and allowing the energy to flow through these bars releases the charge that holds all the considerations, thoughts, beliefs, decisions, emotions or attitudes you have stored.

After a bars session the worst thing that can happen is you will feel like you've had a great massage, the best that can happen it can change your whole life!

All sessions are carried out, by appointment only, at my relaxing healing practice located in Walton, Peterborough.
Home visits are available for special circumstances.
